

10 Reasons You Should Plant Trees...NOW!

- 1** **Trees conserve energy in the summer, and save you money.** Properly planted trees can cut your air-conditioning costs by 15-35%.
- 2** **Trees help clean the air.** Trees produce the oxygen we breathe, and remove air pollution by lowering air temperature, through respiration, and by retaining particulates.
- 3** **Trees bring songbirds close by.** Birdsong will fill the air as trees provide nesting sites, food, and cover for countless species.
- 4** **Trees around your home can increase its value by up to 15% or more.** Studies of comparable houses with and without trees place a markedly higher value on those whose yards are sheltered by trees.
- 5** **Trees help clean our rivers and streams.** Trees hold the soil in place and reduce polluted runoff into our waterways.
- 6** **Trees conserve energy in the winter.** Trees can slow cold winter winds, and can cut your heating costs 10-20%.
- 7** **Trees fight global warming.** They remove carbon dioxide from the atmosphere, the major contributor to the threat of global warming.
- 8** **Trees make your home and your neighborhood more beautiful.** Trees mark the changing seasons, and add grace and color.
- 9** **Trees are fun!** Planting and caring for trees can be a great family and community-building activity.
- 10** **It's easy!** Choose from thousands of ready-to-plant trees right here. Planting and delivery are available.
